

Lyrics
Soul of Christ
adapted by P. James Finn from 'Soul of Christ' by St Ignatius Loyola

Soul of Christ sanctify me, purify me, glorify Thee.
Body of Christ, my Brother, save me, my soul with in Thee.
Blood of Christ, refresh, renew my life, preserve Thy servant.
Water from the Side of Christ, O, wash, restore me to Thee.

Passion of Christ strengthen me.
Jesus, my Love, hide me in Thy wounds.
Defend me from the malignant enemy, my Shield and Spear.
Never let me be separated from Thee, my Light and Life.

Hear me good Jesus. O grant me to come to Thee.
May I be, my Lord, my God, among Thy saints to praise Thee.

Soul of Christ sanctify me, purify me, glorify Thee.
Body of Christ, my Brother, save me, my soul with in Thee.

Call me, o Jesus, at my hour of death.
Bid me, Jesus, ever in Thy sight.

Call me, Soul of Christ.
Save me, Soul of Christ.
