Dedicated to the Sisters of  
Our Lady of Mercy

1. O, sinful soul, don't run.  
Come to me for pardon.  
My mercy is greater than all thy sins.

Hand me thy grief.  
Hand me thy troubles.  
Have trust in me.  
Thy misery will disappear in my mercy.

3. For thee, I came. For thee,  
I suffered. For thee, I bled, my hands nailed,  
my heart pierced. My mercy flowed .

Hand me thy grief.  
Hand me thy troubles.  
Have trust in me.  
Thy misery will disappear in my mercy.

5. How dear to me, my child, is thy soul.  
I lavish my treasures  
upon thee, O, Dear Soul.

Hand me thy grief.  
Hand me thy troubles.  
Have trust in me.  
Thy misery will disappear in my mercy.

I love thee, Dear Soul. I love thee.

2. Be not afraid.  
Thy name is inscribed upon my hands.  
O, thou art a deep wound within my Heart.

Hand me thy fears.  
Hand me all thy sins.  
Have trust in me and come to me,  
Fountain of Life, and draw my grace.

4. I am thy strength. I make the  
first move. Then talk to me.  
Never will I reject a contrite heart.

Hand me thy fears.  
Hand me all thy sins.  
Have trust in me. Then come to me,  
Fountain of Life, and draw my grace.

6. Do not argue with me about thy  
wretchedness. My mercy is greater  
than all thy sins.

Hand me thy fears.  
Hand me all thy sins.  
Have trust in me. Then come to me,  
Fountain of Life, and draw my grace.

I love thee, Dear Soul.
